Notes

- The inscription is made by the Gira inscription service, and is precisely and permanently applied to the material using laser technology. For an individual design you can choose from various fonts and symbols after registering free of charge, so company or hotel logos can also be integrated. The order is processed by the wholesaler specified during the rocker ordering process.
- Please note that the rocker sets for pushbutton sensor 4.95 in white glass cannot be labelled by laser for technical reasons.
- This product canonlybe ordered from the Gira inscription service.
- Professional inscription by the Gira inscription servicewww.beschriftung.gira.de.
